I am a full-stack developer and life-long learner who is passionate about technology that makes our world a better place. I bring a unique perspective to development because of my extensive background in education and experience building applications. I am looking for an opportunity that will allow me to make a meaningful contribution blending the use of my technical skills and my background as an educator.

Technical Skills

Languages: JavaScript
Front-End: Bootstrap, HTML5, CSS3, JQuery, AJAX
Databases: MongoDB, Mongoose, mLab

Frameworks: Express, ReactJS, React Router, Redux
Other: Git, Github, Node, RESTful API, TDD w Mocha Chai, Enzyme, Jest

Projects

Contactualize: A Relationship Manager   https://contactualize-client.herokuapp.com/
Designed and developed a fully responsive full stack React app, with authentication. It features the ability to add contacts with notes, and then to add interactions to specific contacts. I am expanding this application.

Technologies: MongoDB, Mongoose, Express, React, React Router, Node, HTML5, CSS3, JavaScript, RESTful API

JusKidin: A Web Resource for Parents   https://juskidin.herokuapp.com/
Designed and developed a fully responsive Node app, with authentication. I used modal windows for both information and to hold forms. I plan to refactor using React to upload photos.

Technologies: MongoDB, Mongoose, Express, Passport, Node, HTML5, CSS3, JavaScript, JQuery, AJAX

JusNoshin: Recipe with Wine Pairing   https://reinhal.github.io/jusnoshin/
This application is an AJAX hack. In working with an external API, I put a creative twist on finding a meal. This application is also fully responsive.

Technologies: HTML5, CSS3, JavaScript, AJAX

Work Experience

Montessori Notes, *founder*   July 2015 - present
- Designed a mobile application for Montessori teachers to meet their planning and record keeping needs.
- Determined application requirements and designed user flow.
- Managed all aspects of development, including establishing the brand, website and the development team.

Lisa Reinhardt
